For **PRESIDENT**

COLLEGE: CORPUS CHRISTI

PROPOSER: MELISSA CHEE (NEWNHAM COLLEGE)

SECONDER: WONG SHER LIN (QUEENS' COLLEGE)

WHY ME

CUMaS has been a solid support system throughout my time here and I would really like to continue the tradition of this society, in hope that everyone will get the most out of their stay here in Cambridge.

Sentiments aside, I've had a lot of experience in planning and organising events being MSoc President at my previous college, as well as Head Prefect in high school. I would put my experiences to use to continue to help CUMaS grow and nourish our community in Cambridge.

Most importantly, I am enthusiastic and prepared to invest the time and effort required to carry out CUMaS' programmes and to do the necessary networking to achieve this.

VISION

To maintain the family feel of CUMaS, whilst ensuring that the society continues to grow and run smoothly.

GOALS:

- *Continue carrying out all previous events (including refining the OUTREACH programme)*

CUMAS 20th ANNIVERSARY:

- It's going to be CUMaS' 20th anniversary soon. To celebrate this, I would like to propose holding a fancy dinner party/ball back in Malaysia for all undergrads, postgrads and alumni.

MORE SOCIAL EVENTS:

- Introduce fortnightly Welfare Teas where students can head over to someone's room to have biscuits and tea and enjoy each other's company.
- Introduce a designated budget for sports bookings (ie badminton courts, table tennis)
- Organise events during the winter and Easter breaks for Malaysians staying on in Cambridge.

EXPANDING and IMPROVING:

- Promote the sharing of opportunities with other Malaysian societies at other academic institutions. (ie, getting invited to their speaker series talks, career fairs and vice versa)
- Organise more events with other international societies
- Run open meetings where everyone has freedom of speech and can contribute their ideas or raise any issues/concerns they may have.
