

# VARUN

## FOR SOCIALS

Proposed by: Haris Abdul Halim (Peterhouse)  
Seconded by: Chow Jia Rui (St. Catharine's College)

### About me:

What's crackalackin' guys? My name is Varun, and if you don't already know me, I'm a first year medic at St. John's (and no, I would not rather be at Oxford). Let's face it, life at Cambridge is tough and we push ourselves really hard to be the best we possibly can be. But sometimes, even study-beasts have to take a chill pill and relax. That's what I hope to help you do! If appointed Socials officer, I will endeavour to make your life just that little bit more fun and to bring all us Malaysians together as a family. There will be food, there will be fun and there will be lots of laughter!

### Goals:

- 1) Games nights** - I would like to host games nights every term. Monopoly deal, Bang!, poker, blackjack, you take your pick. It'd be a great way to wind down on a Friday evening with your buddies
- 2) International swaps** - Swaps and formals with other societies such as CUCS, CUTS and CUMSA to meet new people and network. The best part: we get to do it as a group!
- 3) More formals!** - CUMaS currently organizes one formal a term, but what if there were two? Yeah, that's right, two, one for the start of term and one for the end of term.

### Why me?:

I've had experience at co-ordinating events as president of the Malaysian society in my old school (Concord College, woohhh). I'm also not currently involved in any other societies, leaving me free to devote all my time to CUMaS and lastly, because I will do my very best, rain or shine, to make sure you guys have a good time. Thanks for reading this far!
