

# My name is Loo Han Rong. You should definitely vote for me.

## CUMaS Treasurer/Publicity Officer

### This is why:

- I am fastidious about every penny that I spend, and keep incredibly detailed accounts of personal expenses.
- I managed the accounts for my college newsletter, and obtained sponsorship from local businesses.
- As a frugalist and economist, I'm great at maximising utility per pound spent.
- As former Editor-in-Chief, I can write funny things in CUMaS Kini. Like this.

### Here's what I plan to do:

- Transfer short-term CUMaS funds into interest-bearing instant access savings accounts or cash ISAs
  - Held in trust in individual accounts for higher interest
- Overhaul the event ticketing system.
  - Google Docs is functional but rudimentary.
  - WP Event Ticketing allows far more flexibility, including the option to pay by debit card (with a surcharge)
  - Knock on people's doors to make sure they pay up
- Publish monthly finance reports online, accessible to all full members.
  - Improve transparency and accountability.
- Organise cooking demonstrations in the MFF.
  - Promote attendance and crowd stickiness by promoting cooking workshops as central attraction.
  - *Teh tarik* (within splash zone)
  - *Tang yuan* (汤圆) making
- Create a Fresher's welcome booklet jam-packed with money-saving tips.

Xian Yao and Ian Beh and Joshua Teng support me. You should too.
