1. OUTREACH

Inspire prospective Malaysian students from **more underprivileged areas** to apply to Cambridge and widen the access of application information. I am Sabahan (considerably a rare species here) and joined the iCUSU Access program to spread the word in Kota Kinabalu in summer 2012.

2. Invite **NOTABLE MALAYSIANS** for **TALKS** in Cambridge

As Guest Liaison of Cambridge Union Society, I escorted Richard Dawkins, Archbishop Rowan Williams, Alister McGrath etc and understand the dynamics of inviting and entertaining prospective speakers.

To expand collaboration and **connection** with other UK based Malaysian societies and organisations such as Malaysian Societies of other universities, the British Malaysian Society, UKEC etc.
