POSITION STANDING FOR: **EXTERNAL OFFICER**

Proposer: Lim Chia Wei, Christ's College

Seconder: Kok Jian Yi, Christ's College

TELL THE ELECTORATE ABOUT YOURSELF

I am a first-year engineer at Christ's College. Knowing that a Cambridge education is a dream to many students, I hope to inspire more young Malaysians to apply to Cambridge by sharing the experience of the current Cambridge Malaysians!

WHY DO YOU WANT TO STAND FOR THIS POSITION?

To many, even to myself 4 years ago, Cambridge is an unachievable dream. Coming from a family where education is highly prioritised, I really want to demystify this Cambridge myth. I hope to seize the chance of being an external officer to influence more Malaysian students, regardless of their backgrounds, to apply to Cambridge and reassure them that when there's a will, there will always be a way.

WHAT WOULD YOU WANT TO CHANGE IN YOUR CLUB/SOCIETY?

- Organize more outreach events in different states across Malaysia
- Organize forums so that aspiring young Malaysians can join us in discussion about Cambridge life
