

Don't vote wrong, vote WONG!

WEI JIE WONG

RUNNING FOR PRESIDENT!

ABOUT ME

- 1st year engineer from Churchill College who wants to contribute to CUMaS as it has helped me integrate into Cambridge life with ease. Being far away from home, it is lovely to have such an amazing support network! I would love to help make CUMaS a closely-knit family.

Proposer: Maisey Davidson
(Newnham College)
Seconder: Afif Akmal Affian
(Churchill College)
Second choice: General Committee

PERSONAL SKILLS

- **Adaptability**- having been a nomad for the past 19 years, I have learnt to overcome hardships of moving and adapting to new environments
- **Fast decision making**- when someone asks me where we're eating for lunch, the answer is Golden House immediately.
- **Communication**- was able to describe Fault in Our Stars in charades during Fresher's Camp
- **Team player**- being part of the National Taekwondo Demonstration team and U-18 football teams at GIS and BISH have allowed me to develop key team working skills
- **Motivated**- will try my best to get a First!
- **Reliable**- you can always count on me to TURN UP to 9am lectures!

INTERESTING FACTS ABOUT ME

- Travelled to more than 30 countries and lived in 4 (Malaysia, Singapore, USA and UK)
- Most memorable place: Machu Picchu or Cape Town. I can't decide!
- Technically, I am a Blue as I play for the Cambridge 1st team in League of Legends and will be attending Varsity for it :O
- Helped build a tools shack in an orphanage in Costa Rica.
- 3rd Dan Black Belt in Taekwondo
- Built my own gaming computer!
#engineeringz

AIMS FOR CUMAS 18/19

- **SPREAD THE JOY**: Actively look for new members to join CUMaS. Help spread our amazing culture to other nationalities! Be more engaged with the Malaysian Offer Holders (enlist students from the specific college to help them prepare for life at Cambridge)
- **MONEY**: Maintain strong relationships with sponsors and have more fundraising events which will open up avenues to higher quality CUMaS events (e.g. investing more money into MFF and greater subsidised events)
- **ENTS**: For all those adventurous people trying to complete the Formal Challenge (including me!), expect formals every week at different colleges. Also, I would love to make the next CUMaS play a musical: Lah Lah Land! As I am an avid film lover, look forward to Movie Nights!
- **SOCIAL**: Greater involvement on social media platforms for regular CUMaS affairs updates! Additionally, I would like to improve communication amongst CUMAS committee members.
- **OHANA**: Ensure CUMaS families meet up at least twice a term so nobody gets left behind or forgotten!
- **WORK**: Keep CUMAS members abreast with more internship opportunities and invite corporate and social leaders to give talks.

EXPERIENCES

- Digital Student Leader at GIS where I helped co-lead a team of younger years to integrate technology into learning. Led weekly sessions teaching teachers and students alike how to better use the Google platform and other applications such as iMovie and Photoshop.
- Student Council Representative at GIS and BISH where I helped spearhead the initiative to change the catering provider and collate student feedback regarding initial designs of the new BISH campus
- Led sessions in the Oxbridge CCA to help my juniors prepare for their interview process and go over preparation questions together (Channeling my inner supervisor :3)
