Why I want to run?

CUMaS has brought a slice of Malaysia into my Cambridge life through memorable events and amazing company. All this wouldn't have been possible without the tireless efforts of the committee and fellow Malaysians. I hope to put my time and energy into CUMaS and continue its tradition of giving Malaysians a home away from home.

Aims

1. Perform my duties as secretary responsibly and effectively.
2. Work closely with the committee and the society in running events and meetings smoothly and efficiently.
3. Plan a memorable Garden Party – especially for the graduating seniors!

Why me?

- **Dedication** - Would prioritise responsibilities towards CUMaS
- **Teamwork** - Engineers always work in teams!
- **Helpful** – Willing to step out and assist members

I do hope all of you give me a chance to serve CUMaS!
