Homerton College

1<sup>st</sup> Choice : Sports Officer

2<sup>nd</sup> Choice : General Committee

#### Reasons to run:

I think sports provide a great platform to bring people together. I firmly believe that everyone should enjoy sports regardless of their sporting abilities. With this philosophy in mind, I aim to widen CUMaS' members participation in sports and create a memorable time for everyone in CUMaS.

#### Positions of responsibilities:

- President of Mathematics Club
- Secretary of Action Group
- School Magazine Editorial Board
- Active member in badminton club since primary school

#### Core Competencies:

- Being **responsible**- I take all club appointments seriously and view them as a privilege. If I am elected, I will commit fully to the position. Should it need be, my CUMaS responsibilities will supersede my academic commitment.
- Being **organized**- I maintain a diary to keep track of the things which I have not done. By doing so, I have never failed to meet a single deadline.
- Being **resourceful**- Having served on multiple committees before, I learnt how to deal with logistics issues and thorny bureaucratic procedures, in particular handling applications for usage of facilities.

#### Plans for CUMaS:

- To organize a "Games Night" during week 5  
I would arrange a weekend get-together so everyone can temporarily forget the sorrows of week 5 and indulge in a few hours of card and board games, 3DS/PS games, and most importantly, enjoy some good company.
- To organize a successful Oxbridge Games  
I will endeavour to make the Games a lasting memory for all Malaysian Cantabrigians and our Oxford counterparts.
- To introduce new sports for Oxbridge Games  
I would investigate the possibility of introducing card games such as Bridge into the Games. This would widen participation to people who are less sports-inclined.
- To organize badminton sessions fortnightly-  
I would encourage all CUMaS members to actively take part in these sessions so as to foster closer ties among all members.

Proposer: Khong Yi Kye, Queens  
Seconder: Lai Dee Loon, Homerton
