

*Brendan Beh Wye Hsien*  
*(bwhb2@cam.ac.uk)*

*2018-2019 CUMaS Technical Officer*

*Proposer: Khong Yi Kye*

*Seconder: Tan Ze Kai*

### *About me:*

*I am a Natural Science (Physical) student currently studying at Emmanuel College, who would like to help his fellow Malaysians by increasing the ease of information exchange.*

### *Goals:*

- *Keep CUMaS website up to date and running smoothly (i.e. renew domain lease)*
- *Develop database on CUMaS site for general resource sharing*
- *With help from Alumni Officer, creation of webpages listing job opportunities and allow for recruitment opportunities*
- *Creation of online forums that allow for discussion about work related / social events*

### *Final remarks:*

*Although I do not have much experience with webpage design, I am keen to learn and I hope to be able to achieve my goals with some help from my fellow CUMaS members.*
