

Hong Liang for Treasurer 2017/18

Magdalene College, Phys Natsci

*Proposer : Ng Tze Donn (Queens')
Seconders : Chun Hao Zhe (Emmanuel)*

WHY AM I APPLYING?

Throughout our time here, CUMaS has played a pivotal role in helping us settle into life at the Bridge. Since Freshers' camp, CUMaS has sparked friendships, stimulated intellectual conversation (about fridges?), and is most importantly an outlet for us to be as Malaysian as we want. From working together to frantically prepare a meal for 300 people at MFF, to witnessing a surprise, romantic proposal (with fireworks in the sky?), CUMaS has definitely injected korean-soap-opera-standard drama into our lives, in just a few short weeks. The CUMaS seniors are also always willing to give advice and tips on Cambridge life, which just makes our uni lives so much easier.

It would be a privilege to carry on (and maybe improve on?) such a beneficial tradition, and I feel I'll be best placed to do so as Treasurer.

WHAT I BRING :

- Manage CUMaS's budget in a sustainable and cost effective way
- Collaborate with more shops & restaurants for more CUMaS member discounts (Sweet Home, HK Fusion etc.)
- Add-on activities to MFF - lucky draw, "bar" quizzes, sales for the ingredients used in the cooking etc.
- Bring in more sponsors for MFF to sponsor drinks, or one of the dishes
