# WILLIAM TAI as WELFARE OFFICER

Sidney Sussex College, Engineering

## Why would I ever go for William?

- Enjoys fostering greater camaraderie among CUMaS members!
- I'm a really fun-loving guy, seriously!
- Always daring to be creative

## Ideas

- "De-stress-so" sessions (e.g. Karaoke, board games, FIFA & other e-sports)
- Looking to start up an anonymous "CUMaS Confession's" page
- Continue existing activities such as Week 5 Blues Cheer-up Pack & Secret Santa

## Why do I think that I will do a good job?

- Was House Captain of school's Annual Sports Meet so experienced in coordinating (and motivating) large groups of people
- Was a school prefect – focused and responsible! (I'm serious)
- Get along well with others (especially with my batch of first years!)
