

WELFARE OFFICER

CHUN HAO ZHE

EMMANUEL COLLEGE, NATURAL SCIENCES
SECOND CHOICE: ENTS OFFICER
HZC20@CAM.AC.UK

Why am I running for Welfare?

- I love CUMaS and the people in it
- To create an even friendlier 'home away from home'
- Provide a big welcome to freshers and to help them transition into university life

Why vote for me? Because I'm...

- **Enthusiastic!**
My constant presence in most CUMaS events means I am never hard to find!
- **Friendly and approachable!**
With a kind and cheerful personality, I am always easy to approach! My door is always open and my availability means I'm.....
- **....Always up for a chat!**
Just come over for tea/Old Town White Coffee (while stocks last), to help you get over week 5, homesickness or anything in general!
- **Experienced!**
Whether is it for Fresher's Camp or MNight, I have the relevant experience required! Having attended and organized camps, events and participated in Mnight 2017 and a musical, I hope to be able to use my experiences to further improve the events where possible!

Shoutout to Matthew Tang (Churchill) and Teoh Hong Liang (Magdalene) for being my Proposer and Seconder!

What are my plans?

- **Upgrading Welfare packs**
Aside from getting the usual Kitkat and chocolates that we all love, I hope to be able to obtain some uniquely Malaysian sweets to combat homesickness, ranging from White Rabbit Candy to Haw Flakes!
- **Making the camp more accessible and publicized**
Part of the camp's budget will go to subsidising transportation for freshers to come for camp, to encourage them to attend. Advertising the camp on social media will also help to ensure that no fresher is left in the dark.
- **To increase involvement from Seniors during camp**
I believe that to make a strong CUMaS family, getting to know everyone from the beginning would help the freshers feel more welcome! As such, I would like to organize activities which would involve both freshers and seniors.
