

## KOK ZHI HAO

For CUMAS GENERAL COMMITTEE –LOGISTIC OFFICER

### Why choose me?

- **Experienced**

I am experienced in organising events. I was the president of Chinese Language Society in high school and I organised fresher’s camp, calligraphy competition, public speaking competition and farewell party with my committee members. I am motivated to give as much support as possible to other committee members whenever they need my help.

- **Responsible**

I believe an event with a good idea, is a failure if without logistic. Meanwhile, I like to get things done and I am responsible to deliver and transport the right products, in the right quantities, to the right location and at the right time.

- **Efficient**

Efficient logistic procedure is my highest concern. I will make sure the distribution process is progressing on time, on budget and to the right quality standards.

- **Skills**

I am proficient in using Adobe Photoshop, Adobe Lightroom, Corel Video Studio, Power Sound Editor etc.

## Why CUMAS?

When I first arrived in UK, I am so confused and nervous about the life here. It is the CUMAS community that makes me feels like home, they always try their very best in uniting the fellow Malaysian and taking care of their welfare. Therefore, I hope I can be a part of committee member to organise various fun, amazing activities to contribute back to the community.

### Aims and Objectives

- To ensure any event can be run smoothly without interruption.
- Support other community members in organizing activities.
- Most importantly, streamline and improve on current CUMAS initiatives. I will analyze and identify the most efficient way to make things done.
