**INTERNATIONAL
STUDENT
CONFERENCE
2015**

ORGANISED BY:

KDU 3rd International Student Conference 2015 themed "The Future is Today" bringing together graduates from all over the world, corporate leaders, academic leaders and future leaders to deliberate on contemporary leadership issues, globalization issues, sustainability issues, ethical issues, talent retention issues, innovation and technology in the rapidly changing world today.

The conference serves as a platform to deliberate on current issues and exchange innovative idea while focusing on the topics around fundamental changes. At the end of this conference, graduates will be able to develop their leadership and decision making skills through opportunities to see and hear from inspirational leaders. Moreover it is a great opportunity for graduates to update their current theoretical knowledge which they learn in class with the practical examples given by these leaders.
