About Me

1st Year Engineer at Wolfson College. I code.

What Will I Do

- Migrate the CUMaS web server to a shiny new one.
- Secure the CUMaS website with encryption (a.k.a. padlock icon).
- Integrate Raven as an authentication mode into the website to simplify the process of logging-in.
- Improve the accessibility of our society's secret sauce through the CUMaS website.
- Automate the renewal of the society's web domain name to avoid undesirable consequences.
