

Candidate: Ivan Chan Kai Chin

For Sports Officer, Welfare Officer (second choice)

Email: [ic361@cam.ac.uk](mailto:ic361@cam.ac.uk)

Proposed by: Max Khor Khai Shyen

Seconded by: Isaac Teng

## About me

Hi, I am Ivan. I am a Trinmo from Penang. Through CUMaS, I have met many fellow Malaysians similar to me, and I really enjoy having their accompany. As such, I would like to contribute to this society as much as I have received from it.

## Why do I want to apply for this position?

I want members to feel at home in CUMaS, and ideally every Malaysian can feel loved in this special place. What better way to foster the “Malaysian family spirit” other than sports and games every weekend?

I consider myself a friendly, organized person, and most importantly, Malaysian. I have experience being the organising chairperson in math competitions, and volunteering experience as a teaching assistant in Kings College Primary School. Fun fact: I am also pretty good at badminton!

## What I plan to do:

Organize sport events on Sunday mornings instead, so that we can chill on Saturday night, and start afresh on Sunday with some sports! I know that many events such as movie nights, social/game nights usually take place on Saturday nights, so I am proposing this idea in hope that everyone can wake up early and get hyped for Sundays!

A wider variety of sports and games: Badminton, Table Tennis, Football. I would like to let members to experience a wider choice of sports. Since I am in Trinity this year, booking the football field is now possible, but only if we have it during daytime, so don't be lazy to wake up early!

Organising the 2019 Oxbridge games: The next games will be held in Cambridge, and I would love to provide an unforgettable experience for both sides. Friendly matches aside, let us Cantabrigians do our best to win it this time!

Organize Term End Matches: I plan to collaborate with the Socials Officer to organize matches for sports and games during the end of term.
