What I hope to achieve.

CUMaS has been one of the best things about Cambridge and the people in it have made life here better than I ever would have expected. So, I want to give back by helping to plan and run as many great events as possible throughout the year, keep the society in tip-top shape, & welcome our new members with open arms! Also, I'd love to organise the prettiest garden party you've ever seen~

Why me?

- ◆ Deputy Head Secretary & Treasurer of Prefect Board in HELP International School
- & BulliesOut charity Youth Ambassador
- Did my Grade & ABRSM piano exam at the same time as IGCSEs and got a merit + won Best Across & Cambridge IGCSEs in Malaysia, so I'm good at organisation & time management:)
- ◆ Main character in MNight + I've been at every rehearsal so you know I'm committed;)
