FOR SOCIALS OFFICER

Proposer: Xuan Yi (Selwyn)
Seconder: Vythi (Tit Hall)

WHY ME?

Having experienced firsthand how stressful and daunting Cambridge can be, I have realized the need for a home away from home.

The CUMaS community has been a great source of support for me. I hope to further strengthen our bond by spending more time together!

Trust an economist to maximise your utility.

PLAN

- Organise bi-termly CUMaS formals
- Organise bi-termly social events (e.g. games nights, movie nights)
- Work closely with the welfare officer to organise more inter-CUMaS family events to get to know your ah gong and ah ma.
