

HWEI MINN

for CUMAS Treasurer

Proposer: Ong Chia Yi, 1st year, Medicine, Trinity

Seconder: Clinton Wee Yuan, 1st year, Law, Hughes Hall

You can reach me at hmk43@cam.ac.uk

OBJECTIVES

To remain transparent in all accounts in regard to CUMAS funding and spending like others before me.

Continue to make MFF 2019 and CNY Lunch 2020 accessible for everyone without sacrificing on quality.

Maintain and increase communications with the Sponsorship Officer and the committee at large.

Make Cambridge Cheaper (Again): Negotiating more discounts from more of your favourite haunts.

I can't deny that CUMAS has helped shape my experience here in Cambridge, from being a part of events like MFF, to learning where to get the best food from our seniors.

I would be grateful for the chance to represent and support you all, and hope that you would consider me as your choice for treasurer.
