## *A bit more about myself...*

First year lawyer - for those who guessed medicine or engineering, you were close :P

Homerton - don't worry, I'll cycle to you!!

Part-time library resident, part-time college rower (I ask myself why too...), full-time Van of Life and Thai Food Truck customer

## *Why I'm Running*

I had the most unforgettable experience at MNight '19, and made some amazing friends! I hope to bring this experience to anyone who wants to be a part of next year's :)

I witnessed how the event serves as a focal point for the community - a night where we can share a few laughs, shed a few tears and revel in some cheeky local references - here's to continuing this amazing tradition!

I've had experience heading large scale events, be they MUNs, school trips, or international conferences, and I hope to bring these skills to the table - I'm by no means an experienced thespian, but I promise to lead a team to give you a night you won't forget

Last but not least, I want to bring the fun, friendship, and inclusivity CUMaS has shown me to our next batch!
