Last but not least, I will update sponsors more regularly about what is happening in the society to maintain good relations with them.

With my past experiences in MUN and debating, I have learned how to get my point across amongst a group of people and listen to what others have to say with an open mind.

#### I COMMUNICATE EFFECTIVELY

I am able to liaise and negotiate with sponsors in a tactful and result-orientated manner.

#### I AM ORGANISED AND MANAGE MY TIME WELL

I manage my time well by getting work done efficiently. I always reply to emails as soon as possible!
