**For**

**Alumni Officer**

**Proposer:  
Dhilen Chin  
(Selwyn)**

**Seconder:  
Sze Lynn  
(Girton)**

### **About me**

Hey guys! My name is Xuan and I am a second year Econ in Selwyn. I love cooking and a good hike. Another thing I love is CuMas. From MFF (1st year), CNY lunches and meeting freshers in Malaysia, I love getting to meet other CuMas peeps. I love how CuMas people support each other from midterm treats/socials to helping students prepare for their camb interviews. And yea, that's why I'm running for a position in CuMas :)

### **Why Alumni Officer?**

- The idea of organising an Alumni Dinner sounds fun to me
- I would enjoy engaging with our alumni network to see if they're interested in any sharing sessions or would like to publicise anything
- I would love to help out CuMas with general committee stuff as well

### **Why me?**

- I have a wealth of experience in organising events from dealing with catering to sorting out logistics. So the Alumni Dinner should be manageable!
- I love connecting people and learning about alumnis' experiences. This would help when engaging alumnis and CuMas members to see how we can interact more!

### **Past experiences**

- Organising events from induction week to end-of-term dinners as secretary for the student council
- Engaging with companies to organise insight programmes
- Involved in and led student consulting projects which involve interacting with working professionals
