why welfare?

being far away from home is hard. in the face of bland food, cold nights & week 5, cumas welfare initiatives helped me lots & made other malaysians feel much more at home here, and I wish to keep 'em good and keep 'em going!

objectives!

- keep fresher's camp lit
- keep 'em welfare packs comin'
- maggi & milo movie nights
- family swaps
- reach out to every fresher
- support with snacks & pei pa koa!
