

VYTHILINGAM SIVA SHANMUGAM

For Treasurer

vs465@cam.ac.uk

I am Vythilingam, a first year Medic at Trinity Hall. I am running for the Treasurer post for the CUMaS 2019/2020 committee. I think this society does a fantastic job in making fellow Malaysians feel welcome and I wish to be part of this group. I believe I am trustworthy and responsible, especially in handling money so rest assured!

Past experiences

- Assistant secretary as well as Record and Statistics Officer in the Prefectorial Board
- Vice President of the Engineers Club in college (yes you read that right)
- President of the Science and Mathematics Society
- Treasurer of Chess Club

My goals

- Update the financial statements and make them available to the members in the CUMaS website
- Revision of budget allocation with increases for events and sporting activities
- Work with the welfare officer to organise more inter-CUMaS family events to promote bonding especially between freshers
- Introduce an 'emergency bank' for members to borrow money
- Provide advice for offer holders/applicants in terms of finance and scholarships
