## Alumni Officer

Robinson, sc2598@cam.ac.uk

### About me:

Hi, I am Suzanne! Currently studying Chemical Engineering and Biotechnology. I am interested in collaborating with the president of the alumni committee in hosting events over the summer. Graduated from KTJ, I realised the importance of a good connection between past and present members of Cambridge to aid community growth. I am willing to create meaningful, well-organized alumni events that inspire engagement, mentorship, and pride.

### If elected, I will focus on:

- Maintaining clear communication with alumni to understand their interests and availability through the Malaysia Oxbridge Society
- Coordinate alumni events such as the alumni pre-departure dinner, make sure they are inclusive, welcoming, and professionally organized
- Encourages strong participation to Alumni Ball by promoting and facilitating the event
- Possibly hosting a talk by alumni on internship and job opportunities

### Skills:

- Organised
- Skilled in maintaining clear and respectful communication
- Time management and scheduling
- clear and structured planning
