VOTE MARCUS FOR A
HEALTHIER CUMAS

- As a sports officer, I will ensure every member get the opportunity to play sports every single week during term.
- Since I will be holding CUMAS sports equipment, my attendance on every session will be guaranteed to ensure everyone gets the equipment to play sports and no one gets left out.
- Moreover, I advocate for the balance between coursework and exercise to promote a healthy lifestyle in CUMAS students.
- My goal is to introduce the immense benefit of sporting and let the people of CUMAS understand Cambridge is not just example papers, labs and tripos.
