## FOR SOCIALS OFFICER

### WORK EXPERIENCE

#### PUNJABI SOCIETY | 2025-CURRENT

##### *Publicity Officer*

- Currently involved in planning and promoting society events in Cambridge
- Built connections for venues, formals, and house events, gaining practical experience organising socials at university level

#### SIXTH FORM | 2023-2025

##### *Student council*

- Helped organise large school events including charity initiatives, sports day, and the summer ball
- Worked with a team to plan, coordinate, and run events for the wider student body

#### SECONDARY SCHOOL | 2021-2023

##### *Head Girl*

- Led the organisation of school discos, balls, sports competitions with other schools, and potluck events
- Focused on creating fun social opportunities that strengthened the school community

### ABOUT ME

Hi guys, I'm a 1st year medic at Corpus Christi and a proud Malaysian!! I'm a proper social butterfly who loves bringing people together, whether that's through sports, good food, or a great party! To me, CUMAS is more than just a society; it's a home away from home, and I want to help create that feeling for everyone in the society.

### VISION & OBJECTIVES

My vision is to continue building a CUMAS that feels like a genuine family at Cambridge. Our university can be so intense, so I want our events to be something people truly look forward to during term - a chance to relax, connect, and have fun together!

I hope to continue the success of favourites such as the CUMAS formal, pizza night, and Christmas party. More than that, increasing family dinners and introducing inter-family competitions, such as friendly sports or games in collaboration with the sports officer, I think would really help bring different year groups together.

I would also love to expand our social calendar through more collaborations with other societies, as well as new events such as a CUMAS house party or night out!

Ultimately, my aim is to keep CUMAS close-knit, welcoming, and connected across year groups — a close community of friends in Cambridge that we will keep back home in Malaysia too!
