## Experiences

- **Bank Negara Malaysia Batch 2022 Representative** – Delivered a speech at the BNM award ceremony in front of the Governor of Malaysia’s central bank. Built strong connections within BNM and currently serve as a Bank Scholarship Ambassador, conducting talks to guide and inspire future applicants.
- **Taylor’s Ambassador for University Applications & A-Levels** – Spoke at multiple events to encourage juniors to pursue their dream universities and A-levels. As a Taylor’s alumnus, I continue to mentor current students by answering their university and academic queries. Also provided peer-to-peer tutoring in Economics and Psychology to support struggling students.
- **Active CUMaS Member** – Currently choreographing the MNight dance, uniting first-years through weekly rehearsals filled with fun, friendship + makan2. Beyond just a performance, it’s an opportunity to bring our community together and create lasting memories.

## ACTION PLAN

01

### STRIVING FOR FREE EDUCATION

Establish partnerships with Malaysian scholarship providers to support Malaysians studying at Cambridge. Currently working on a BNM collaboration, with plans to engage Petronas. Organize scholarship interview workshops to equip students with the skills to secure funding.

02

### A HOME FOR ALL

Foster an inclusive and welcoming community by continuing CUMaS traditions like MNight, the Malaysian Food Festival, and cultural celebrations. Expand event variety with London trips, movie nights, college brunches, and collaborations with other societies to ensure a diverse and engaging experience for everyone.

03

### SUPPORT & OPPORTUNITIES

Strengthen academic support through peer-to-peer tutoring, provide career guidance with alumni-led workshops while maintaining the signature event - NegaraCumas, and uphold the CUMaS family system for welfare and mentorship, ensuring holistic development for members.

04

### INSPIRING YOUNG MALAYSIANS

Support aspiring Malaysian students through admissions test workshops, personal statement guidance, and Oxbridge interview prep. Conduct outreach at top A-Level colleges like Taylor’s, Sunway, KYUEM, and KTJ to inspire and assist future Cambridge applicants.
