ABOUT ME

Hi everyone! I'm a first-year Computer Science student with an interest in badminton, drawing (bunnies), singing, and listening to K-pop, but more often than not I find myself being forced to do Discrete Maths ...

EXPERIENCES

KL Coding Cup Organiser + Host

Led the organisation of an inter-school coding competition and developed both the frontend and backend of the submission system.

Cambridge Game Jam 2025

Designed and developed the user interface for the game, while also contributing to programming and creating art assets. Won the Most Popular Vote award.

Competitive Programming

Participated in various national and regional competitive programming competitions, including MCC, MCO, and the Asia-Pacific Informatics Olympiad (APIO), gaining extensive experience in programming with Python and C++.
