*Please vote me for Welfare Officer 🙏*

*Every student will feel seen and supported 🌹*

As Welfare Officer, I will ensure that every student feels supported and valued throughout their university journey. I am committed to distributing welfare packs that cater to students' needs, helping them navigate challenges with ease. Additionally, I will organize a well-structured and engaging Freshers' Camp, creating a welcoming environment for newcomers to connect and settle in. My dedication to student well-being, along with my strong organizational skills and approachability, makes me the ideal candidate to enhance the welfare and experience of all students. Vote for me to make student support a top priority!
